

# TiE BRUSSELS AND RUNWAY SIGN INTERNATIONAL PARTNERSHIP MOU

TiE Brussels is excited to announce the signing of a Memorandum of Understanding (MoU) with Runway located in the heart of San Francisco's innovation district. The MoU expresses the commitment of both parties in establishing close ties between the European and the Silicon Valley entrepreneurial ecosystems.

Through the MoU, TiE Brussels will work in partnership with Runway on programs and exchanges designed to promote long-term growth and enhance competitiveness among startups. The partners believe that the dynamic exchange of knowledge and information with the professionals in Europe and USA will create sustainable, long-term networks and platforms that will help to foster a culture of technopreneurship in Europe by adopting some of the best practices in USA.

The MoU was signed to ensure members of TiE Brussels and Runway to have access to the professional opportunities and industry expertise, which will enhance their presence on the both markets.

## About Runway

Runway is an incubator, home to nearly 85 startups, located in a 30,000 square feet of space, on the fourth floor of the Twitter building, in downtown San Francisco. Leveraging over a dozen partnerships with Fortune 2000 brands and its international network of cutting-edge innovators, Runway is launching a series of funds, accelerators, and events to support education, finance, IoT/robotics, and AI entrepreneurs.

## About TiE Brussels

TiE Brussels is a regional chapter of TIE, the world's largest entrepreneur's network with nearly 14 000 members and 1500 events held per year. Since 1992 TiE mentoring programs have added over US\$200 billion of net-economic-wealth to organizations worldwide. TiE Brussels is about fostering entrepreneurship in Europe. The role of TiE Brussels is to connect the featuring successful serial entrepreneurs, business leaders, venture capitalists, angel investors with other professionals or students via Entrepreneurship Conferences, Business Competitions and Networking Lounges.
